Examination Scheduling

This application is valid only for initial ASNT certification and recertification by examination through the Korean Society for Nondestructive Testing (KSNT). To renew without further examination (by points), you must use the ASNT 25-Point Level III Renewal Application.

First time applicants must take a Basic examination. If examining for certification as an ASNT NDT Level III in any test method, the NDT Basic examination and at least one method examination must be passed. Certification as an ASNT PdM Level III is available only in the IR test method and the PdM Basic examination and the IR method examination must be passed. If currently certified as an ASNT NDT Level III in IR, only the PdM Basic examination must be taken.

Examination Dates:

Effective in 2010, the ASNT Level III examination for each test methods will be given on only one date and time as shown in the tables below. Candidates should identify the examinations they wish to take by checking the appropriate Member/Non-Member and New/Retake boxes for each examination being requested and placing the appropriate fee in the far right column of the table. They must then attend the examination on that date at that time. All examinations are conducted in the English language only.

Transfer / Cancellation / Refund Policy

All ASNT examinations are required to be taken within one calendar year from the date on the original Letter of Notification or Letter of Approval sent to the applicant. One transfer is permitted within that year, subject to the administrative fees detailed below. Failure to take examinations within that one-year period will result in forfeiture of all fees to ASNT.

The transfer or cancellation deadline is two (2) calendar weeks prior to the week of a scheduled examination. Transfers or cancellations received before the deadline will be subject to a \$75.00 administrative fee PER EXAMINATION. A transferring applicant must remit those administrative fees to ASNT by the application deadline for the rescheduled examination. No examination attendance will be permitted unless all fees are paid. Canceling applicants will receive a refund less all administrative fees.

No transfers or cancellations will be accepted after the above transfer deadline. Failure to show up ("No Shows") for scheduled examinations will result in forfeiture of the fees for the missed examinations.

If an examination application is received and the applicant is found to be unqualified to take the examination, a refund will be issued less an administrative fee of \$75.00 PER EXAMINATION.

All requests for transfers or cancellations must be submitted in writing to ASNT and be signed by the person registered for the examination. A signed fax transmittal is acceptable.

The International Surcharge and Membership / Administrative Fees are non-refundable and non-transferable.

No exceptions will be made to the above policy.

Statements and Signature

By signature on this application, if certified by ASNT, I agree to abide by the Code of Ethics for Level III Personnel Certified by ASNT so long as I maintain a Certificate. Further, I understand the right of ASNT to suspend or revoke any Certificate granted if I abuse the privileges therein granted to me.

I understand that certifications which may result from this application do not constitute any form of license.

I hereby attest that all facts on this application are true and correct and no information which might be detrimental has been withheld. ASNT may make any inquiries necessary to determine my qualifications for certification. I agree to abide by the decision of ASNT relative to the granting of any Certifications as applied for herein.

For valuable consideration, the undersigned, having made application for Certification as Level III before ASNT, does hereby release and forever discharge The American Society For Nondestructive Testing, an Ohio Corporation, from any and all liabilities, claims, demands, or causes of action whatsoever, which now exist or which may hereafter arise on account of the undersigned's activities henceforth as Level III certified by ASNT.

The undersigned further acknowledges that this release is being given as a prerequisite for having filed application for consideration by ASNT.

The undersigned further represents that if not certified by ASNT, then this release and discharge shall have no force and effect; otherwise, upon certification as set forth above, this release shall be binding on the undersigned and The American Society for Nondestructive Testing, Inc. and any and all agents of ASNT in connection with such certification process. I have read and understand the transfer, cancellation and refund policy. I have read and understand the attached transfer, cancellation and refund policy and understand that all application documents submitted to ASNT become the property of ASNT.

I authorize ASNT to publish my name, city, state, country, test methods, Levels and expiration dates of certification.

Code of Ethics for Level III Personnel Certified by ASNT

1. Preamble

In order to safeguard the life, health, property, and welfare of the public, to maintain integrity and high standards of skills and practices in the profession of nondestructive testing, the following rules of professional conduct shall be binding upon every person issued a certificate by ASNT as a Level III.

1.1. The Level III who holds a certificate is charged with having knowledge of the existence of the reasonable rules and regulations hereinafter provided for his/her conduct as ASNT Level III, and also shall be familiar with their provisions and understand them. Such knowledge shall encompass the understanding that the practice of nondestructive testing under this certification is a privilege, as opposed to a right, and the Level III shall be forthright and candid in statements or written responses to the Ethics Committee of the Certification Management Board.

1.2. The "Level III" as referred to herein is that individual who has been issued a certificate by the American Society for Nondestructive Testing, Inc. pursuant to its heretofore published requirements, rules, and procedures for such certification. This Code of Ethics is binding upon all individuals so certified.

2. Integrity

The Level III is obligated to act with complete integrity in professional matters for each client or employer as a faithful agent or trustee; shall be honest and impartial; and shall serve the public, clients, and employer with devotion.

3. Responsibility to the Public

The Level III shall protect the safety, health, and welfare of the public in the performance of professional duties. Should the case arise where the Level III faces a situation where the safety, health, and welfare of the public are not protected, he/she shall:

- 3.1. Apprise the proper authority if it is evident that the safety, health, and welfare of the public are not being protected; and
- 3.2. Refuse to accept responsibility for the design, report, or statement involved; and
- 3.3. If necessary, sever relationship with the employer or client; and
- 3.4. Undertake to perform assignments only when qualified by training and experience in the specific technical fields involved. In the event a question arises as to the competence of an Level III to perform an assignment in a field of specific discipline which cannot be otherwise resolved to the Ethics Committee's satisfaction, the Ethics Committee, either upon request of the Level III, or by its own volition, may require him/her to submit to an appropriate inquiry by or on behalf of the Ethics Committee; and
- 3.5. Be completely objective in any professional report, statement, or testimony, avoiding any omission which would, or reasonably could, lead to fallacious inference, finding, or misrepresentation; and
- 3.6. Express an opinion as a technical witness before any court, commission, or other tribunal, only when such opinion is founded upon adequate knowledge of the facts in issue, upon a background of technical competence in the subject matter, and upon an honest conviction of the accuracy or propriety of the testimony.

4. Public Statements

- 4.1. The Level III will issue no statements, criticisms, or arguments on nondestructive testing matters connected with public policy which are inspired or paid for by an interested party, or parties, unless he/she has prefaced the remark(s) by explicitly identifying himself/herself, by disclosing the identities of the party, on whose behalf he/she is speaking, and by revealing the existence of any pecuniary interest he/she may have in these matters.
- 4.2. The Level III will publicly express no opinion on a nondestructive testing matter unless it is founded upon

adequate knowledge of the facts in issue, upon a background of technical competence in the subject matter, and upon honest conviction of the accuracy and propriety of the testimony.

5. Conflict of Interest

- 5.1. The Level III shall conscientiously avoid conflict of interest with the employer or client, but when unavoidable, shall forthwith disclose the circumstances to the employer or client.
- 5.2. The Level III shall promptly inform the client or employer of any business associations, interests, or circumstances which could influence his/her judgment or the quality of services to the client or employer.
- 5.3. The Level III shall not accept compensation, financial or otherwise, from more than one party for services on the same project, or for services pertaining to the same project, unless the circumstances are fully disclosed to, and agreed to, by all interested parties or their duly authorized agents.
- 5.4. The Level III shall not solicit or accept financial or other valuable consideration from material or equipment suppliers for specifying their products.
- 5.5. The Level III shall not solicit or accept gratuities, directly or indirectly, from contractors, their agents, or other parties dealing with the client or employer in connection with work for which he/she is responsible.
- 5.6. As an elected, retained, or employed public official, the Level III (in the capacity as a public official) shall not review or approve work that was performed by himself/herself, or under his/her direction, on behalf of another employer or client.

6. Solicitation of Employment

- 6.1. The Level III shall not pay, solicit, nor offer, directly or indirectly, any bribe or commission for professional employment with the exception of payment of the usual commission for securing salaried positions through licensed employment agencies.
- 6.2. The Level III shall seek professional employment on the basis of qualification and competence for proper accomplishment of work.
- 6.3. The Level III shall not falsify or permit misrepresentation of his/her, or his/her associates', academic or professional qualification. He/she shall not misrepresent or exaggerate the degree of responsibility in or for the subject matter of prior assignments.
- 6.4. Brochures or other presentations incident to the solicitation of employment shall not misrepresent pertinent facts concerning employers, employees, associates, joint ventures, or past accomplishments with the intent and purpose of enhancing qualifications and work.

7. Improper Conduct

- 7.1. The Level III shall not sign documents for work for which he/she does not have personal professional knowledge and direct technical supervisory control and responsibility.
- 7.2. The Level III shall not knowingly associate with, or permit the use of, his/her name or firm name in a business venture by any person or firm which he/she knows, or has reason to believe is engaging in business or professional practices of a fraudulent or dishonest nature.

8. Unauthorized Practice

Any violation of this code shall be deemed to be an unauthorized practice and upon proper complaint, investigation, due process hearing and ruling of the Ethics Committee of the ASNT Certification Management Council in accordance with procedures heretofore established and published, sanctions may be applied to the individual(s) in violation.

9. Rulings of Other Jurisdictions

Conviction of a felony while ASNT certification is valid or the revocation or suspension of a Professional Engineer's License by another jurisdiction or similar rulings by other professional associations may be grounds for a charge of violation of this Code.
